[DOI Plugin Settings](#)

The following items are required for a successful CrossRef deposit.

CMV Verlag 

Depositor name \*

khoffmann@cmv-verlag.com 

Depositor email \*

If you would like to use this plugin to register Digital Object Identifiers (DOIs) directly with CrossRef you will need a username and password (available from [CrossRef](#)) in order to do so. If you do not have your own username and password you can still export into the CrossRef XML format, but you cannot register your DOIs with CrossRef from within OJS.

Username

Password

Please note that the password will be saved as plain text, i.e. not encrypted.

OJS will deposit assigned DOIs automatically to CrossRef. Please note that this may take a short amount of time after publication to

برای گرفتن خروجی XML وارد مسیر پلاگین قبلی بشوید و اینبار روی تب Articles کلیک کنید و جلوی مقالاتی که میخواهید برای آنها کد DOI ثبت شود تیک بزنید. مانند شکل زیر
